## **Information Requirements for Lending**

We recognize companies that need our services are generally under time constraints. The faster the restructuring can be accomplished, the faster you can begin implementing your business plan in hopes of returning to conventional financing. Here are the steps to take to initiate the process of getting help.

- Complete the application and fax it into us
- Send us last year end and most recent interim financial statements
- Provide us with the previous month end's accounts receivable and accounts payable aging
- Include personal financial statements from the business owner(s) with social security number
- Tax identification number

Once Greenfield has expressed an interest in the financing, other information needed may include:

- Articles of incorporation/organization and by-laws
- Bank routing number, account number, fax number, and contact person
- Account debtor address list with telephone and fax numbers
- Copies of invoices to be purchased with backup, customer purchase orders, and equipment lists and appraisals where applicable
