

CREATIVE/RESPONSIVE/FLEXIBLE

Greenfield Commercial Credit is a privately held commercial finance company that lends money to businesses that are unable to get bank financing.

When your business needs money and the banks won't help call Greenfield Commercial Credit ("GCC"). GCC provides lending services that include:

- Accounts receivable and inventory financing
- Equipment financing
- Purchase Order financing
- Factoring
- Debtor in possession financing

If your business has the collateral (i.e. accounts receivable, inventory, equipment) GCC can probably lend you the money. Our objective is for you to use this financing to implement your business plan allowing you to return to conventional financing.

One of our commercial lending experts can work with you and your team to meet your financing needs.
