GREENFIELD COMMERCIAL CREDIT CANADA INC.

GCC Canada is a Canadian public company listed on the Toronto Stock Exchange (TSX-V: *ticker* "GRF"). It represents the expansion of Greenfield U.S.A.'s North American strategy to become a single cross-border provider of specialty lending services.

GCC Canada is a joint venture between the principals of Greenfield U.S.A. and VRG Capital in Canada. It started operations on May 1, 2003, after receiving final approvals from all regulatory agencies.

We lend to small and medium size companies that require loans of between \$200,000 and \$5 million.

GCC Canada has a number of advantages over the 5 Canadian chartered banks.

- **True Client Support:**
We provide loans to companies when they need liquidity for short-term business hurdles.
- **Focus:**
We focus on a company's Assets versus their Balance Sheet and Income Statement.
- **Speed, Efficiency and Execution:**
We respond within 48 hours to a request for financing. Loan advances can be made within 2 business weeks thereafter.

Our target industries include:

- Wholesalers;
- Manufacturers;
- Distributors; *and*
- Service Companies.

We are able to provide these advantages through 9-years of experience using highly centralized operations and control processes that are significantly more automated and efficient than traditional bank operations.
